

INFRASTRUCTURE

Our world class infrastructure supports both academic and co-curricular activities. We are equipped with professionally designed science and computer labs as well as an auditorium with interactive technology and, a library offering an excellent range of books and publications. A specialised Montessori hall designed for pre-primary students to further encourage our Montessori teaching style. Amongst our other important facilities are multiple swimming pools, a cafeteria, a music room, a gym and a play zone designed for children.

WHO WE ARE

Welcome to The British International School of Lubumbashi, an innovative school for children from Play School to Grade 12 offering a highly portable, globally recognised curriculum, with outstanding extra-curricular activities, and a warm and welcoming community in the heart of Lubumbashi. Choosing the right school is about so much more than academics. It is about finding a happy and caring environment within which students can thrive, explore and develop new areas of interest, and build the foundation for learning that will last a lifetime. With a new approach in blending traditional values and contemporary techniques, we at BIS recognise our student's social and emotional growth equally as important as their academic development.

OUR VISION

Here at BIS, we aim to guide our students to become leaders of a greater tomorrow and, be the change they want to see in the world. "Aiming for Excellence" - our motto focuses on identifying the individual abilities of each student, and polishing them towards excellence, as they explore and discover more about the world surrounding them. Our unique curriculum is designed to offer quality education, reinforcing a love for learning that lasts far beyond school hours, and a passion for success that translates itself into their future. Instilling confidence and nurturing happiness in our students are our top priorities, knowing and strongly believing that when a child is comfortable, academic success is bound to follow.

FACULTY AND TEACHING METHODS

Experience, commitment and inspirational are the words that best describe our highly qualified teachers and management. Our foremost dedication is towards providing personal attention to each student and, encouraging their positive growth at every step. Classrooms are well equipped to successfully deliver our innovative teaching methods that focuses primarily on using creativity. Air-conditioned rooms with smartboards and projectors complement our commitment towards our vision.
