

Instill Confidence • Increase Motivation • Inspire Learning

Who we are

Founded in 2006, miniMinds is an after-school English learning Centre located in Causeway Bay, Hong Kong. Our courses are designed for children from pre-nursery to lower secondary levels (Ages 3 to 13), ranging from phonics, conversation, reading, creative and formal writing. We strive to deliver our courses in a fun and effective way as we believe in the simple idea that children learn best when they love to learn. ☺

At miniMinds, we are passionate about what we do and we believe the importance of instilling confidence, increasing motivation and inspiring learning in every child and in our teaching team too. We have a diverse team of over 25 teachers from around the world, with one thing in common – the dedication to provide quality education to children in a vibrant & nurturing environment, and to continue to learn alongside with the little ones too!
