

In order for your children to feel safe and comfortable,
we are conducting the following measures to prevent infection.

Lessons are conducted with all staff members wearing masks and face shields.

Temperature checks are conducted daily with touchless/infrared thermometers.

Plastic curtains/acrylic partitions have been placed in the reception counter area.

Air circulators/air purifiers are being used for ventilation.

Hand sanitizers have been placed within the school.

Cleaning is conducted before every lesson.

All items are sanitized with alcohol.

We are also offering on-line lessons and lesson videos.
