## MISSION:

Colegio Americano de Torreón is a bilingual educational institution based on the best North American teaching practices. Through a rigorous college preparatory curriculum, we are dedicated to educating socially committed leaders and responsible citizens who are successful in a global environment. Core classes are taught primarily in English. Graduates earn a U.S. high school diploma and a Mexican "bachillerato" certificate.

## SHARED BELIEFS:

### Every CAT student will:

1. Be prepared for university study anywhere in the world.
2. Be fully bilingual in English and Spanish with motivation to develop a third language.
3. Be highly qualified in the use of twenty-first century skills.
4. Be globally aware and respectful of diversity through a deep understanding of their own cultural identity.
5. Be socially proactive leaders and ecologically responsible global citizens.
6. Have the right to grow and learn in a safe and healthy environment.
7. Have parents who take an equal responsibility for being actively involved in their children's education.
8. Have a staff who is highly qualified, compassionate and committed to their success.
9. Develop a love for learning.
10. Have diverse opportunities to develop their athletic, artistic, and intellectual talents.

Our school has grown considerably over the last few years. We are searching for new teachers who share our vision to become part of our team.
