LIWA INTERNATIONAL SCHOOL - AL MUSHRIF

**A BRIDGE OF CULTURE  
A HIGHWAY TO INNOVATION  
A SCHOOL FOR THE FUTURE**

## About LISM

Liwa International School – Al Mushrif (LISM) offers a vibrant and holistic American education where students' modern day needs are understood and utilized in the learning process. We are committed to creating an environment where intellectual risk taking is encouraged as much as a healthy, rounded lifestyle.

Located in downtown Mushrif, Abu Dhabi, LISM will run from KG to Grade 9 for AY 21/22 and is one of the three schools under the Liwa Education group.

## KG @ LISM

Our dedicated KG team ensures that every lesson is fun and engaging and meets the academic, emotional and social needs of each learner.

Every classroom has a playground area that is filled with targeted activities for students to explore and develop motor skills and peer relationships. Our students also love to investigate and learn through play in our Discovery Room.

Our use of technology ensures that our young learners are adept in digital tools during their most formative stages of development. Each learner has access to various E-Learning platforms and a wide range of E-books through the use of Smart Boards and iPads.

## Elementary School @ LISM

In Elementary school, students are encouraged to be involved in our various campus activities, which instills in them a sense of responsibility and empowers them to play an active role in society.

High standards are encouraged and promoted, but we seek to instill a joy of learning which will carry on with our students. We recognize the diversity of learning styles, encourage the individuality of our students and celebrate their successes to help them achieve their full potential and build their confidence.

All students have access to our school facilities which include science, computer and food technology labs, a large gymnasium, and a well-stocked library. LISM also incorporates technology and multiple E-learning platforms in Elementary lessons.

*As parents of four pioneer students of LISM, we are elated to say that any uncertainty surrounding our choice of a brand new school has been resolved beyond doubt. This is due to the excellent school leadership and management, complemented by hardworking and qualified staff.*

**- Parents of Keziah, Jude, Joshua, and John**

## Middle School @ LISM

Students are challenged to become independent learners and continue to develop core values of responsibility, respect, integrity, and resilience. Core subjects such as English, Math, Science, and Ministry subjects are complemented by Specialist subjects such as Music, Arts, Sports, Design & Technology, and Information Technology, as well as extra-curricular activities and competitions. Students are given the opportunity to think critically, solve problems, develop digital competency, and be creative.

## High School @ LISM

We are pleased to confirm that our High School provision begins this year as we open Grade 9. The High School curriculum has been carefully planned to ensure progression, depth and balance, while meeting the demands of the Ministry of Education decree concerning graduation.

In Grade 9, we ensure that all mandatory courses are followed, and we have a choice of up to 4 electives, covering all the domains of study from Science to Technology. All students and their parents have individual guidance sessions as they build their path towards higher education.

## What our parents and students say about us

*The school has many cultures and nationalities and we feel that we are one big family at LISM. LISM is one of the best schools in Abu Dhabi because it has qualified and friendly teachers, a diverse community, a strong curriculum and fun way of learning.*

**- Parent of Omar and Karim**

*I've been to various schools in my life and none of them are as professional as LISM. The staff, students and teachers are all phenomenal!*

**- Noor, Grade 7**

*LISM provides an environment where we can learn a lot of essential and exciting skills. It allows us to develop our talents, learn from expert teachers, and meet new friends!*

**- Tasneem, Grade 7**

*LISM is an exceptionally good school for any student looking to rectify their weaknesses in any subject. The best thing is that we can play football and basketball tournaments during break-time.*

**- Yousef, Grade 8**

*LISM is a wonderful school. All the teachers try their best to make sure we understand the lessons, and if we don't, teachers will explain and follow up with us. Overall, LISM is a marvelous school.*

**- Jude, Grade 6**

“

*As a parent, I am pleased to note that LISM consistently strives to achieve the school's stated mission. The administration, teachers and all other categories of staff demonstrate genuine commitment to ensure effective and efficient learning and socialisation.*

”

**- Parent of Amanda and Anthony**

“

*Learning in LISM teaches great life lessons, such as responsibility, so that when we grow up we can be ready for the world - and along with all that it's FUN. LISM is an incredible, supportive school that will help at all costs, which is absolutely amazing.*

”
