Presenting a World of Opportunity

Experience Maple Leaf

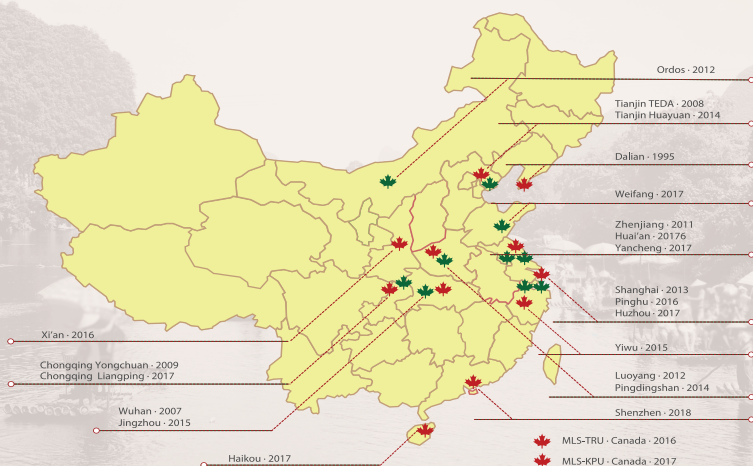

MLES teachers offer a unique opportunity to our students allowing them to benefit by studying a Canadian curriculum while living in China.

Mles is certified by both the BC and Chinese governments and offers a high quality, externally accredited, international private school education.

The MLES Educational Philosophy is based on the belief of blending the best of the west with the east. Through blending elements of the innovative and enquiry-based western educational model with the culturally rich and disciplined traditional Asian educational model, students will be best prepared to meet the challenges of living and working in an internationally diverse society.
