OPENING TIMELINE

THE AMERICAN SCHOOL OF BENGUERIR

We are happy to announce the opening of the American School of Benguerir in partnership with the University of Mohammed VI Polytechnique (UM6P).

KEY FACTS

- ASB will deliver an American curriculum based on the AERO Standards - The same curriculum as the one offered by ASM & AST.
- ASB will seek accreditation by the Middle States Association (MSA), a world leading accrediting institution.
- ASB will seek accreditation by the International Baccalaureate Organization and will offer the full IB continuum (PYP-MYP-DP).

MISSION

The American School of Benguerir is a multicultural **community of learners**.

We offer an **American-style education** with a thorough grounding in the **Liberal Arts, Sciences and Technology**, and a highly competitive **preparation for university** acceptance around the world, especially American universities. Our students strive for mastery of English and fluency in **Arabic and French.**”

Our mission is to foster excellence through **critical thinking and creativity; build resilience and character; promote responsible, global citizenship; and encourage lifelong learning.**

GOALS

To meet its Mission, ASB cultivates an educational environment based on four main principles:

- Striving toward academic excellence
- Developing individual potential
